Payment

Once parents have sent a completed registration form for their child and informed us which course, they wish their child to attend, we consider that they have a firm commitment to take up and pay for the place on the course. We will naturally waive this obligation if we are ultimately unable to run the course for the day, time, and location and if no suitable alternative can be found.

Our terms of payment are 30 days from the invoiced date. We reserve the right to apply a surcharge in the event of failure to pay, late payment or repeated reminders having to be sent.

Missed classes

We regret that for logistical reasons, it is not generally possible for children to make up classes they have missed, nor can refunds be given for missed classes. If a child suffers a lengthy illness or accident or if the family moves away from the Lucerne area, it may be possible to refund fees.

Parents should inform the class teacher in advance if a child is going to be absent.

Should classes be cancelled due to teacher illness, classroom unavailability or the like, they will be made up at the end of the semester. We are unable to provide alternative care for students on days when classes do not take place.

Withdrawal from Courses

Students registering for Art classes do so for each semester and can only withdraw after the first lesson at the end of the current semester.

Insurance is the responsibility of the parents

No liability or responsibility is accepted by ABC Tutors for any injury, illness, damage, loss, accident, involved in any activities whatsoever suffered. The School will not be liable for direct or indirect losses, arising from such injury, illness, damage, loss, accident, or expense including consequential loss or economic loss however caused.

Allergies

If your child has any allergies, please inform us exactly what the allergy is and how severe it is. In addition, it is the parents' responsibility to have the correct medication nearby and be in the vicinity in the case of an emergency, depending on the severity of the allergy.
